TOMORROWS ARE MORE IMPORTANT THAN EVER.

Today is uncertain. Tomorrow represents hopes and dreams. Junior Achievement helps prepare today's students for a bright future.

JUNIOR ACHIEVEMENT 2019-2020 CLASSROOM VOLUNTEERS

We are so thankful we can count on you to inspire and prepare young people to succeed.

Junior Achievement volunteers come from all walks of life, but they all have a common vision: sharing a message of hope and opportunity with each and every young person they reach. They are committed to the idea that, as a community, we have a responsibility to ensure this generation is better prepared for success than any generation in history.

Junior Achievement USA's volunteer-delivered, kindergarten-12th grade programs foster work-

readiness, entrepreneurship and financial literacy skills, and use experiential learning to inspire students in our community to dream big and reach their full potential.

Junior Achievement of Lincoln impacts 12 counties in Nebraska which include the communities of Grand Island, Kearney, Beatrice, Norris, Seward, Bennet, Eagle, Auburn, York, and Sumner.

Junior Achievement impacts nearly every elementary, middle, and high school in Lincoln!
